

**PHS Aquatics Booster Club  
2018-2019**

On behalf of the PHS Aquatics Booster Club (PHSABC) Board, thank you for your participation in swimming, diving, and/or water polo. Our mission is to "enhance the experience" by supporting the coaches and student-athletes through means, such as hosting tournaments and events, providing access to team apparel, and assisting with team expenses. PHSABC is able to fund these activities through the PHS Aquatics activity fee, fundraising at the hosted events and generous contributions from sponsors, parents/guardians, and friends of the team. Please see sponsor pledge form for more information on sponsorships.

This year PHSABC will be using social media to promote PHS swim, dive, and water polo activities in a positive manner. Sources such as Instagram, Twitter, and the PHS Aquatics website may be used to communicate information and team activities. Please be aware the items communicated may include photos and/or first names. Please check the appropriate box below to grant or deny permission to publish your athlete's name and picture on social media.
